

# **NACE TX/LA Gulf Section 2017 Section Scholarship Awards Announcement and Qualifications**

The TX/LA Gulf Section of NACE International is pleased to announce the section's 2017 scholarship program. Scholarships will be funded by section activities throughout the year and matching funds from the NACE Central Area.

The available scholarships for the 2017-2018 Session include the following.

- Children of TX/LA Gulf Section NACE Members Scholarship

The NACE TX/LA Gulf Section Scholarship Committee is now accepting applications for the 2017-2018 Scholarship Awards. NACE TX/LA Gulf Section members are allowed to sponsor up to two qualified students who are now entering or attending an ABET (Accreditation Board for Engineering and Technology) accredited college/university.

Consideration for award will be based on the funds available (voted on by the NACE TX/LA Gulf Section board) for award and the number of applications received. Declared majors in Engineering or Basic Science (Chemistry, Biology, Physics, Biochemistry, or Mathematics) courses may be given preference.

Applications, which are attached below, will be accept until midnight May 1, 2017. Awards will be announced following the Committee meeting after our section meeting on May 16, 2017 Meeting. Awards will be distributed at the section Career and Education event held on July 18th, 2017. Awardees will be notified no later than May 22<sup>nd</sup>, 2017.

Qualifications for the Children of TX/LA Gulf Section NACE Members Scholarships are listed below:

1. The student must be sponsored by a NACE TX/LA Gulf Section member in good standing. Further, a letter of recommendation for the student must be provided by the Section Member to the Scholarship Committee for the Member Sponsored Student Scholarship.
2. The applicant must be a domestic US student member in good standing at an ABET (Accreditation Board for Engineering and Technology) accredited university.
3. The student must be attending college on a full time basis (12 hours/semester) and maintain a 2.5 GPA during the semester. A graduating high school senior is eligible as well.
4. Students must send an official transcript or report card and a copy of course records with their application. For graduating high school seniors, a letter of acceptance for the fall semester from the university is required.
5. The application forms and transcripts must be received at the office listed below by the close of the day or emailed by midnight May 1, 2017.
6. Award preference will be given to students studying engineering disciplines related to corrosion sciences. Further preferences will include NACE Student Section members, GPA, and extracurricular activities.
7. PARENTS OF STUDENT APPLICANTS MUST ATTEND AT LEAST 4 MEETINGS PER YEAR. Receipts from meeting attendance must be submitted along with the application

Additional information that would help the scholarship committee evaluate the candidate including corrosion research, membership in organizations and letters of recommendation are encouraged. Note: Members active support during Section sponsored events will also be a consideration.

Send complete application with official transcript to:
